

Are you a Ham Radio Operator?

We'd like to talk to you...

If you are an amateur radio operator, we would like a moment of your time during island-wide emergencies. When phone and internet are down, we would like to be able to check in with you to find out how your neighborhood is doing.

Is the power on? Are the roads passable?

What are the conditions on your part of the island?

Please register now, so we know who you are and how to reach you. www.bit.ly/COBIVOL. If you're interested in helping out, please download the form, fill it out, and email it to COBI Emergency Manager Anne LeSage, alesage@bainbridgewa.gov. Be sure to check the "Ham Radio Operator" box.

If you want a more active role than this, BEARS offers many levels of engagement. That choice is entirely yours to make. Email us at comm-leads@bainbridgeprepares.org to find out more.

Bainbridge Emergency Auxiliary Radio Service (BEARS)
is the designated communications reserve of
Bainbridge Island Emergency Management
